A note on serving sizes....

- In general, count on ½ lb per person of a main dish.
- You can make 4-5 bbq sandwiches on buns from a pound of bbq meat.
- Side dishes some items are lighter than others.
 Plan for ¼ lb of cole slaw per person, but ⅓ + lb of heavier items like potato salads.
 Our smallest deli container holds about ½ lb, for reference.
- About $\frac{1}{3}$ lb per person on deli desserts is a good amount for most folks.
- The individual dessert items are generously-sized.
- We would be happy to walk through your order with you to make sure you get what you need!

Please order from the location that you would like to pick up from.
